Dear Business Owner,

Re: Support for the Epping RSL Golden Kangaroos Concert and Marching Band

The Epping RSL Golden Kangaroos is a community based band of around 80 members based in Cheltenham in the Hornsby shire. Formed in 1970 as the Hornsby Concert Band, it prides itself on being a true community band with a great family atmosphere and caters for the whole range of musical abilities for all ages. The band currently consists of a senior concert band, a marching band and a beginners group and perform regularly in the local area as well as across Sydney at events such as the ANZAC day march in the city, the Epping RSL's ANZAC day service, the relay for life, community concerts at malls, retirement homes, marches and free concerts at The Epping Club to name a few.

The band will be holding a Trivia Night on the 24th October in order to raise money to pay the rent and utility bills on the old church hall we lease through the Hornsby Shire council. Following on from the success of the trivia nights over the last three years, we expect to attract around 200 people from the band and the wider community.

A donation of a product, vouchers or services for us to use as prizes, lucky dips or auction items would be very much appreciated. We will ensure that you get proper recognition by:

- Sponsors names will be prominently displayed on the night;
- Every participant will receive a list of all sponsors;
- Acknowledgement in band and "friends of the band" circulars which reach over 100 people;
- Promotional material you may wish to provide will be placed on each table;
- We will promote your business on our website's Trivia Night page and a link to your business can be activated
- A certificate of appreciation for you to display; and
- Items donated of a value worth auctioning (\$200 plus) will draw specific notice during the auctions.

For more information please visit www.goldenkangaroos.net, email goldenkangarooshcb@yahoo.com.au or phone me directly on 0438 553969. We will be most grateful for your support.

Yours Sincerely,

Warwick Edwards
President, Epping RSL Golden Kangaroos

Serving the Community Since 1970

Sponsored By The Epping Club and the Epping RSL sub branch and Supported by Hornsby Shire Council
